

Application Serial No. 10/533,095  
Amendment After Allowance

PATENT  
Docket: CU-4183

### REMARKS

The claims have been amended by Examiner's amendment as set forth in the Notice of Allowance. These amendments have been incorporated into the present amendment.

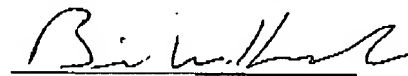

Claim 26 has been amended to depend from Claim 25 to provide antecedent basis for the temperature-responsive member in Claim 36. Claim 29 has been amended to depend from Claim 27 since the claimed link duct is first introduced in Claim 27.

No new matter has been added by this amendment.

Respectfully submitted,

April 12, 2007
